SUMMARY

B.Pharm graduate with experience in Drug Regulatory Affairs, pharmaceutical production, Quality Assurance (QA), and Quality Control (QC). Currently working in Regulatory Affairs at Rhydburg Pharmaceuticals, supporting international product registrations, dossier compilation, regulatory submissions, application status tracking, and regulatory documentation for multiple markets. Experienced in GMP compliance, BMR/BPR documentation, SOPs, batch record management, and pharmaceutical manufacturing operations.

EXPERIENCE

Executive – Drug Regulatory Affairs

July 2026 – Present

Rhydburg LLP | Full-Time

- Support international product registrations across Guatemala, Dominican Republic, Peru, Azerbaijan, and Uzbekistan including dossier compilation per country-specific requirements.
- Track regulatory submissions and application status for multi-country product portfolios.
- Maintain regulatory files, registration documents, and correspondence logs for accurate record-keeping and timely follow-up.

Apprentice – Production Department

January 2026 – May 2026

Tirupati Medicare Limited | Apprenticeship

- Operated Multitrack packaging line in Nutraceutical Production, executing GMP-compliant manufacturing and batch processing.
- Maintained Batch Packaging Records (BPR), logbooks, as per SOPs and QA standards.
- Supported equipment monitoring, line changeovers, and in-process quality checks.

Trainee – Production, QC, QA & Warehouse

June 2025 – July 2025

Magnus Pharma Pvt. Ltd., Birgunj, Nepal | Industrial Training

- Rotated across Production, QC, QA, and Warehouse in a GMP-certified facility; exposed to 5+ unit operations (granulation, compression, coating, packaging).
- Gained hands-on experience in pharmaceutical production, batch processing, manufacturing, and packaging operations, while maintaining BMR, BPR, and production records as per GMP and SOP requirements.
- Gained practical exposure to QC, QA, and Warehouse operations, including HPLC, UV spectroscopy, pH analysis, and GMP documentation.

EDUCATION

Bachelor of Pharmacy (B.Pharm)
